ServNet Auction Group Awards \$42,000 in Scholarships to 14 Students Across Member Auctions

Greensburg, Pennsylvania —The ServNet Auction Group is proud to announce the awarding of \$42,000 in scholarships to 14 deserving students. This annual scholarship program continues ServNet’s commitment to supporting education and investing in the future of its communities and industry.

Of the 14 recipients, eleven students will be pursuing four-year undergraduate degrees at accredited colleges and universities. In addition, several scholarship recipients are current auction employees who are continuing their education, further strengthening the knowledge and expertise within the automotive auction industry. The program also supports students pursuing vocational and technical career paths, with multiple recipients planning to use their scholarships to attend trade or technical schools as they begin careers in high-demand fields.

“We are so grateful for the opportunity to give out this scholarship every year,” said Cody Boswell, ServNet President. “It is a real honor to support some of our independent community’s hard-working families. We know better than anyone that the right opportunity at the right moment can change everything. This scholarship is our way of paying it forward to the next generation of leaders who are ready to make their mark.”

Since its inception in 2016, the ServNet Scholarship Program has awarded a total of \$226,000 in scholarship funds and supported 89 students, reflecting the organization’s ongoing dedication to educational advancement.
